AWAKENING ZOOM MEETING

EPC YOUTH CATCH UP

On the 13th of this month, Epc members were invited to participate in an online zoom meeting across Australia and New Zealand.

Aaron Babu (16) is a young preacher from Brisbane, whose radical testimony has been changing lives.

With a focus on youth, Aaron's message impacted the teenagers of EPC. He spoke about praying in faith for revival in the next generation. It was remarkable to hear how God was leading this young man.

God is truly stirring up a generation for the kingdom of God!

EPC's youth (Kingdom seekers) had their first official catch-up for the year 2024. Newcomers had a chance to experience their first youth meeting in NZ.

The evening was carried by songs and intercessory prayers. Everyone enjoyed a lovely fellowship over a delicious barbecue at Pastor Jackson's house.

Over the next 12 months, more catch-ups are being planned, outreaches and camps and already in the making.

What a beautiful way to bring everyone together at the start of the new year!
